SUNDAY 11TH MARCH 2018

The annual Show 'n' Shine is on again along with the regular Country Market.

This will be the fourth event the Moonta & District Progress Association has hosted, and will be held at the Moonta Football Oval on Milne Terrace.

Food and drink will be available; gates open at 9am and admission is \$5 with children under 14 free.

The event is the Progress Association's major fundraiser for the year and all profits go to the Association's Christmas fund which finances the children's entertainment during the Christmas carols and also towards maintaining the floats and the Santa's cave.

About 100 cars from across the state of various ages ranging from the 1920s to modern cars will be exhibited in sixteen different categories with trophies presented for first and second in each.

A very generous list of sponsors from both Moonta & Kadina has covered the cost of trophies.

Moonta Remembers

Moonta Progress and Moonta RSL are hosting a parade and celebration for the 100th anniversary of the signing of the armistice on November 11. We are looking for groups or individuals to take part in the parade. The theme is anything military, circa 1918 and fun. We currently have plans for a tank, a ship and a hospital bed with nurses. Kernewek Lowender costumes are suitable.

Wombat Unveiling

On Easter Sunday Moonta Progress will be unveiling the new wombat statues in Queen Square and holding an Easter Egg Hunt for the children. Come and meet Wanda the Wombat. Kids and parents and others are welcome to bring along their teddy bear for a picnic.

MOONTA LIONS

The installing of Christmas trees to the Main Business area went well and a lot of Shop owners got into the Christmas spirit and decorated their trees – well done !

The Business Directory was distributed to rate payers around the district by Australasia Post all 1950 of them . A job well done.

If you have any unwanted spectacles at home please hand them on to a Lions member where they will be sent

on to a recycling depot for classification and subsequent issuing to people with eye problems in third world countries. The same with aluminium ring pool tops – the tops are retained for smelting to make artificial limbs for the less fortunate.

We have donated \$6,663 to local and charitable causes since last July.

Rubber protective surrounds for the signs for the Kids bike track at Polgreen Park were recently installed but vandals removed some of them which will now have to be replaced . Lions spend a lot of time volunteering to make our Park a better place for the Community and its a sad reflection on our society when others denigrate the good efforts we do.

The Lions Shade sails at Splash Town were temporarily removed for repairs but were reinstalled in time for the hot weather.

Lions are always on the lookout for new members to help the Community . If you are interested in becoming a Lion then contact Moonta Lions President Lorraine Darling on 0418 830 639 or Des Watts on 88 253138. Ladies are most welcome.

Seasonal Change in Victoria Park

Summer is over. It's reassuring to see new shoots on trees and shrubs in Victoria Park that struggled through the very dry spring and summer. Four out of five of the newly planted seedlings did not survive, despite the best efforts of the small band of volunteers who attempt to water the plants every fortnight.

Sandra McKenzie and Lib Bartholomeusz are Friends who spend each Tuesday morning working in the park.

The area the Friends have named 'The Pond' holds storm water run-off so it is very full over winter, and is now waiting for some fresh water. It's been interesting to see how quickly the vegetation has changed over the four years the water has been flowing into the pond. Plenty of weeds flourish keeping the Friends busy, and many new native species are also growing. The group is looking for new volunteers who may like to take on this rather attractive area, enabling the current volunteers to focus on other spots that they're also trying to beautify.

Now that it's autumn more walkers are using the park, some with their dogs leading them on. Others

stroll at a more leisurely pace, including the Friends who appreciate the change of pace on the walks each third Sunday of the month.

The pond needs an extra team of volunteers to keep it pleasant.

Make-A-Wish® Australia Yorke Peninsula Branch Ride, Run, Walk 2018

We are excited to announce the Make-A-Wish Ride, Run, Walk 2018 Departing Kadina on Sunday 25th March and finishing at Wallaroo. Come along and ride, run or walk the new Rotary cycle track, starting from 10am. Unlike previous events, this is not a race – we will not be timing any rides or runs. We want people to appreciate the great outdoors, enjoy each others' company and help us to raise much-needed funds to grant life-changing wishes for really sick kids.

It's all about participation and fun, with plenty of activities throughout the morning. Come dressed in blue, or as your favourite wish or superhero. Prizes for best dressed and best decorated bike. Entry fee is \$5 per person and all participants must sign in on the day. Registration forms available via the YPCT or contact Janet on 0417 842 588 or email: janetgreg@live.com.au

NYP Art Group celebrates 30 years with special exhibition

In 1986 five keen artists - Betty Beare, Betty Brady, Marjory Jackson, Dot Hunt and Vera Low were brought together by their mutual love and appreciation of art and painting.

They officially unified as a group in 1988 and held their first exhibition at the Yorke Peninsula Library complex in March 1988.

The exhibition was opened by Noreen Hatcher owner/director of the Peppers Gallery in Moonta. Ninety artworks were displayed with over people attending.

Mrs Hatcher, an established artist and tutor of many group members, became the first NYP Art Group patron in 1988.

To celebrate the group's ten year anniversary the NYP Art Group sponsored the Cornish Heritage Award for Kernewek Lowender. Members of the group regularly enter pieces into the Kernewek Lowender art competition and have taken out many wins.

NYP Art group officially opened art rooms at the Queen Square Gallery in 2010, for weekends and special events, and the gallery is now open every Tuesday and for special occasions.

The group have annual exhibitions at the Moonta Gallery of the Arts and the Ascot Gallery Kadina, as well as making contributions to community exhibitions at both galleries.

A special 30th anniversary exhibition is being held on Saturday and Sunday, March 10 & 11 at the Uniting Church on Queen Square where past and present members will exhibit their work.

The official celebration will be opened by Copper Coast Council Mayor Paul Thomas at 2pm on Sunday March 11th.

The exhibition will be open 11am - 4pm both days with free tea and coffee available.
