Friends of Port Hughes news
Update on memorial for sailors lost at sea

Since the formation of a working group there has been significant progress - a list of the names of those lost at sea has been compiled, donations of material and labour have been received and the Friends of Port Hughes have begun fund raising.

Donations have been sought from key bodies, and several social clubs have indicated their support and are likely to make donations.

Options for grant funding from local and state governments will also be explored.

Terry Logan, the project's instigator, is meeting with Council staff at the end of November to ascertain what support Council will give – having previously resolved to support the concept.

Access to Johnson's Cove

The Friends of Port Hughes made a submission to the Council's Annual Business Plan regarding public access to Johnson's Cove. We were advised that provisions for these works are included in the 2018/19 budget. Council staff advised that they would not be able to meet with the Friends of Port Hughes to discuss the project until early 2019. We look forward to working with Council to make this a reality.

Sundowner at Maggie and John Dawkins holiday home

Thank you to Maggie and John for hosting the first Sundowner – it was a great venue and fantastic food, wine and company. Looking forward to more social events as alternatives to formal meetings.

Port Hughes to Moonta cycle/walkway

Following concerns expressed by members and residents of Port Hughes, the Friends of Port Hughes wrote to Council asking for clarification about the Council's intention regarding safety aspects of the track. We have had a preliminary response and expect to have more information shortly.

Copper Coast Council Community Grant

Friends of Port Hughes thanks the Copper Coast Council for funding our public liability insurance through a Community Grant.

Membership: For more information about the Friends of Pt Hughes please contact: Beverley Schultz - Home Phone:

88252524 or Pam Chapman – Mobile: 0427 618 776
 The next General meeting will be held on 3 February 2019 - venue to be advised closer to the time.
